

Our purpose & # 1 goal is to bring **International Cuisine** to our customers on the go. Our niche allows you to step out of your comfort zone & explore your distinctive palate. This, complimented with a vigorous theme surrounding **Cheese**, hopes to have you running back for more!!!

We continuously strive to evolve and meet the interests of you, our customers, and introduce new dishes on a regular basis.

We **value & commit** to customer service so you feel inspired to recommend Wayno's to your network of family, friends, & colleagues. We invite you to request menu changes and provide feedback by visiting our website anytime!!
